

REMARKS

Claims 1 and 50-92 are currently being prosecuted. Claims 37-41 are cancelled herein. Claims 51, 52, 68, 72 and 91 are amended herein. Filed herewith is a terminal disclaimer.

I. Claim Rejections -- Indefiniteness

The Office Action rejects claims 51, 52, 68, 72 and 91 as purportedly indefinite. The amendments above should satisfy the rejections and put these claims in condition for allowance.

II. Claim Rejections -- Double Patenting

The Office Action rejects claims 1, 50-61, 65-90 and 92 as obvious in view of claims 81-83, 85, 86, 88-102 and 105 of Applicant's U.S. Application No. 09/723,316 and other references.

Filed herewith is a terminal disclaimer disclaiming that part of the term of any patent granted on the above-captioned application that would otherwise extend beyond the term of any patent granted on U.S. Application No. 09/723,316.

For the foregoing reasons, Applicant respectfully requests withdrawal of all outstanding objections and rejections.

No fee is believed due. In the event that a fee is due, it should be charged or credited to Deposit Account No. 50-0206.

Respectfully submitted,

HUNTON & WILLIAMS LLP
